**CONSTRUCTION  
DOCUMENT CHANGE**

### **Missing Sentence in UJCM 075/1 Issue 1 'OCC-SC380 OCC-380 Cable Preparation'**

This UJC Bulletin is to inform users that a sentence was omitted from **UJCM 075/1 Issue 1 'OCC-380 Cable Preparation'** in UJ Explorer Issue 127. The missing sentence covers the setting of the Leister Heat Gun for heat shrinkage of the Fiber Restraint sleeve.

When using UJCM075/1 Issue1, the following sentence should be added before paragraph 7.0.1. on page 31 of UJCM 075/1.

**“Adjust the settings of a Leister hot air gun to achieve a temperature of 170-180°C at a distance of 30mm from the oval nozzle (PR26)”.**

This sentence will be added in UJCM075/1 at Issue 2 in the next UJ Explorer in September 2022. This UJC Bulletin will then be withdrawn.

If you have any queries concerning these changes, please contact the UJ Consortium Co-ordinator.
