Model Change: Jacket Remover in Accessory Kit for UJS-S200 and UJS-M1

The UJ Consortium is pleased to announce the model change of Fiber Jacket Remover for the Fiber Fusion Splicing Machine UJS-S200.

Current model: JR-5HAR

New model: JR-7HAR

There is no impact on the quality of fiber splice.

Current model will be replaced by the new model on orders from October 2025.

The functions are updated as follows.

1. Vibration alert when jacket is ready for removal
2. Equipped with a battery for operation without external power

If you have any queries concerning this information, please contact the UJ Consortium Co-ordinator.
