### UQJ ADHESIVE KIT

The UJ Consortium would like to remind their customers that the Double Sided Splicing Tape (TAP023PP) was moved from the UQJ Common Kit to the UQJ Adhesives Kit (KIT35010) in 2006.

Customers are advised to ensure that they have sufficient rolls of the tape before commencing a repair. KIT35010 contains sufficient tape for 10 joints.

If you have any queries concerning these changes, please contact the UJ Consortium Co-ordinator.
