UJ & UQJ EXPLORER – CHANGE OF MEDIA

Existing Customers: The UJ Consortium would like to notify their customers that from June 2014, the UJ & UQJ Explorer will be supplied on a USB Memory Card instead of a CD ROM. This is mainly because some new PCs are now being supplied without a CD drive. The price for the Explorer will be retained at £100 for 2014/2015.

If any customer prefers to have a CD instead of a Memory Card, this can be arranged by special request to keith.spicer@globalmarinesystems.com.

New Customers: The UJ Consortium would like to remind customers that the UJ & UQJ Explorer can be supplied quarterly (June, September, December & March) for a cost of £100 per annum. It includes the latest construction manuals for UJ, UC & UQJ, Toolkit Bills of Materials, Qualified Cable Combinations, Bulletins, Maintenance Manuals and the latest SAMS Moulding Programme. If you would like to subscribe, please request an Explorer Order form from the UJ Consortium Co-ordinator, coordinator@ujconsortium.com.

If you have any queries concerning these changes, please contact the UJ Consortium Co-ordinator.
