### ***UJ & UQJ JOINTER CERTIFICATES DURING THE CURRENT COVID-19 VIRUS PANDEMIC***

Due to the continued extenuating circumstances of the Covid-19 (Coronavirus) pandemic and the difficulty of travel and interaction at this time, it has been decided to further extend valid qualified jointers' certificates that expire within the period 1<sup>st</sup> April to 30<sup>th</sup> June 2020 by an extra 180 days (6 months) past their stated expiry date. Valid certificates, expiring between 1<sup>st</sup> March and 31<sup>st</sup> March, can be extended until 30<sup>th</sup> September 2020. The expiry dates of Jointer Qualification Certificates, currently due to expire between 1st July and 30th September 2020 inclusive, will now be extended to 30<sup>th</sup> September 2020.

During this extension period the situation will be monitored and prior to 30<sup>th</sup> September, further communication will be made by the UJ Consortium.

If you have any queries concerning these changes, please contact the UJ Consortium Co-ordinator.
