

UNIVERSAL QUICK JOINT CONSTRUCTION MANUAL - INDEX

Issue 108

June 2026

This document is intended for use by personnel that have completed an approved training course, successfully passed the final examinations, is in possession or is able to produce a valid qualification certificate issued by an approved training facility. This document provides procedures and instructions that, along with generally accepted industry practices must be fully complied with for the safe and reliable construction of joints.

Section	Issue	Title	Date	Level of Change	Details
1_1	11	Description of the Universal Quick Joint <i>UJC</i>	Mar-25		
1_2	1	Advice on Testing to be carried out during jointing <i>Global Marine</i>	Sep-02		
2_1	16	Introduction <i>Global Marine</i>	Jun-24		
2_2	42	Single Armor Cable Preparation <i>Global Marine</i>	Jun-26	Minor	Cable names clarified
2_3	52	Double Armor Cable Preparation <i>Global Marine</i>	Jun-26	Minor	Cable names clarified
2_4	10	Rock Armor Cable Preparation <i>Global Marine</i>	Jun-19		
2_5	22	SubCom SL12 Armorless Cable Preparation <i>SubCom</i>	Dec-25		
2_6	14	ASN S3 Cable Preparation <i>ASN</i>	May-25		
2_7	22	URC-2 Cable Preparation <i>ASN</i>	Mar-26		
2_8		Deleted			
2_9	16	Pirelli Multi-fiber Cable Preparation <i>Global Marine</i>	Oct-23		
2_10	26	NSW MINISUB [CT] (5.0) 36/48 Cable Preparation <i>Global Marine</i>	Sep-25		
2_11/1	3	ASN/Nexans URC-1/URC-1PE (with copper tape) Cable Preparation	Oct-22		
2_11/2	3	ASN/Nexans URC-1/URC-1PE (no copper tape) Cable Preparation	Oct-22		
2_11/3	3	ASN/Nexans URC-1/URC-1PE (KIT317** series) Cable Preparation <i>Global Marine</i>	Nov-23		
2_12	3	AEI CSDH Cable Preparation <i>Global Marine</i>	Oct-02
